

The Care Sector Support Team

are delighted to announce that we have released further dates for our

Falls Awareness, Prevention and Response Training Programme for Care Homes for older people

Produced in collaboration with Health and Social Care providers, the fully funded programme offers:

- Comprehensive face to face training sessions for Falls Champions
- NHS Gloucestershire falls guidance for Care Homes to use in conjunction with their own falls policy
- Falls manual including training and educational resources for Falls Champions to share with their teams
- Practical assessment tools and resources
- Membership to the Falls Community of Practice
- Falls Community of Practice virtual meetings with guest speakers

Any questions please contact:
glicb.caresectorsupportteam@nhs.net
or Tel: 01452 943 313

Face to face training sessions will be delivered by the Care Sector Support Team on a locality basis and the following dates and locations are still available:

Wednesday 29th January	St Pauls Residential Home, Gloucester, GL1 5JL
NEW Wednesday 12th February	Bafford House Care Home, Cheltenham, GL53 8DR
NEW Wednesday 5th March	Jubilee Lodge, Bourton on the water, GL54 2GN

Sessions are 10:00am until approx 3:00pm.
Refreshments will be available, please bring lunch.

Spaces are now open for booking on the LearnPro Community platform.

If you do not have a LearnPro Community account, please email proudtolearn@gloucestershire.gov.uk to be set up.
