

Need urgent dental treatment?

If you have any of the following problems, you can get an urgent dental appointment by calling **NHS 111**:

- Broken or lost filling or crown
- Toothache that's not getting better
- Broken tooth that's causing discomfort
- Sensitivity or swelling in the mouth
- Gum problems causing pain or bleeding

You'll be assessed and directed to a local NHS dentist for the right treatment.

Urgent appointments help manage these problems quickly before they get worse.

(NHS charges apply unless you are entitled to free NHS dental treatment.)
